

# Iced Irish Coffee

Too warm out for hot coffee? Try it iced!

## Here's what you need:

- For each 16 oz. glass you will need:
- 1 Tablespoon of brown sugar
- 1  $\frac{1}{2}$  ounces of Irish Whiskey (that's one shot)
- $\frac{1}{4}$  cup half-and-half
- 12 oz. cold, strong brewed coffee – ice cold
- Whipping cream

## Here's How you do it:

Dissolve the sugar with the whiskey in the bottom of each glass

Add the coffee, then the half-and-half and gently stir.

Top off with whipping cream
